**QUALITY COMMITMENT** - Being in business for nearly 60 years does not happen without dedicated and rigid commitment to service and quality. Belmont are one of the few roofing companies directly employing our own in-house dedicated technical roof designers & CAD specialists ensuring our exacting quality standards are met and accurate project drawings are delivered on time - every time.

Belmont Roofing have been involved in many of the regions' most significant and prominent projects for over half a century.

Many of our customers have worked with us since our earliest days, appreciating good customer service and our attention to detail. Projects are completed within budget , and without hidden extras.

Our services include:

- Asbestos roofing and cladding- repairs-replacement-re-roofing-over-cladding
- Composite or "built-up" metal roofing
- Rooflight replacement

- Guttering
- Rainscreen cladding
- Flat Roofing
- single ply
- liquid polymer coating systems
- traditional built-up felt
- Specialist painting systems

As well as major refurbishment projects, Belmont offer a repair and maintenance service with experienced trained professional craftsmen.

Annual gutter and roof cleaning contracts can prevent the unexpected. Insurance companies may insist on evidence of annual maintenance before settling claims.

**NEW WORK PROJECTS - Long term relationships** have been forged with many of the UK's largest and most professional main contractors and developers who have demonstrated that quality and service is their main business driver and not just price.
